**CASE INFORMATION**

<b>Complainant:</b> DaMysticNYP, D	<b>Offender:</b> Vealous	<b>Case Disposition:</b> SUSTAINED
---------------------------------------	-----------------------------	---------------------------------------

**Case Summary:**

On March 25th, Deputy CallowTheRizzard conducted a traffic stop that attracted a crowd of civilians. The Deputy requested that the onlookers maintain a safe distance and subsequently called for backup. Senior Deputy Vealous promptly arrived on the scene, as captured in the video footage presented below.

Despite being situated on a public sidewalk, Senior Deputy Vealous repeatedly urged the crowd to move back, while the civilians in question were not obstructing the law enforcement officers in any way. DaMysticNYP, D then requested the presence of a supervisor. Senior Deputy Vealous proceeded to count down from three, subsequently detaining DaMysticNYP, D. Upon regaining the scene, the Senior Deputy detained the complainant once again, despite Deputy CallowTheRizzard releasing them due to the unlawful nature of the initial detainment.

Upon arrival at the station, a supervisor was called, and after a brief review of the evidence, ordered the release of the complainant. Prior to the supervisor's arrival, the Senior Deputy ignored Deputy Callow's attempts to explain the complainant's innocence, and subsequently misused his rank to dismiss Deputy Callow from the case.

The Senior Deputy's actions were in clear violation of department policy and have had a negative impact on the department's reputation.

Statement:

I observed a Traffic Stop being conducted. I stayed on the public sidewalk the entire time. I walked with two other individuals beside the traffic stop. Deputy Calliou/TheRizzard, then instructed us to back up. We backed up, as he felt unsafe. He then said we were good. He called for a 32 due to the amount of people, no harm no foul. The "Senior Deputy" Vetecon arrives. ORDERS us to back up over 5 times. We back up every time. He then says, if we don't leave, we will be arrested. We said it's a public sidewalk. He then counted down from three and then detained me. As a City Councilor, I strive to inform the public that every man women and child may love our law enforcement, this is outrageous. After this, I called for a supervisor, he then proceeded to drive, then after about 10 seconds, he said he had to leave the game and then left and rejoined. Then Deputy Calliou/TheRizzard comes and releases me. We wait for the deputy to come back and then he comes and takes me Code 3 to the BCSS Station. He says I am being arrested for Failure to Comply. Then he says we will wait for a supervisor. During that time he was badgering me about "Oh you called for a supervisor" etc. Then when Sergeant dylalst arrived, he came to the conclusion after assessing the information to SUGGEST to release me as it was unlawful. He did, then tried to say that with my petitions in other departments, he went on to list what would happen if he arrested me and such. Then he released me then I went on. This falls under 3.08 Corruption in the Vancouver Criminal Code. I don't stand for this, as well as I will be using them for this and how my rights were ultimately violated. With this in such, this violated my civil liberties, thus subject to a Civil Action. I wish to pursue anything I can receive for my rights being violated in such a manner. As "Actuals" defines as, "the act of applying force intentionally to another person, directly or indirectly without the consent of that person; or attempting or threatening, by an act or a gesture, to apply force to another person without the consent of that person." Provided in the evidence submitted to the court's, the defendant touched me unwillingly, without consent. With false detainment, as this did not result in an arrest, makes him liable as it would be if a civilian were to touch me. On the claim, false imprisonment. False imprisonment is defined as "the state of being imprisoned without legal authority." As this detainment was unlawful, I shall be sought to receive double compensation due to the amount of time I was restrained for.

I will describe the situation to you, this was what I expatiated in summary to internal affairs.

At approximately 2:25 pm on Saturday, March 25th, I was on patrol as a BCSS Senior Deputy Sheriff, leading to the Patrol Division, unit 2.

While I'm on patrol, Deputy Sheriff CalousTheffzard, BCSS Patrol Division Unit 2, radios a request for backup on Denman Street, in front of RBC. Deputy Sheriff CalousTheffzard claims to have 3 citizens operating his traffic stop, so he does not feel safe and is responding to this call. I arrive at the place, and very respectfully ask the 3 citizens (among them DaffydickVP\_2) included to move back, an order they do not obey. After a few seconds, Deputy Sheriff CalousTheffzard arrives and gives them the same order, but this time they obey it, however, these citizens move back approximately 1-2 studs, which is very little and after that they are still very close to the traffic stop, which is still dangerous for the Deputy Sheriff considering that there were 3 people who I was not known if they were armed, if they were friends of the person stopped at the traffic stop and were planning something, etc.

After they step back 1-2 studs, I consider that it is still an unsafe distance and I tell them what the minimum distance is, an order that they do not obey either. Therefore, I give 3 seconds for them to comply with that order and they do not, then I proceed to detain DaffydickVP\_2 and take him to the BCSS station, to request a supervisor that was requested by the detainee.

Clarification: On the way to BCSS I have a problem with my fis, so I park in front of BCAA and again, and when I come back to this place, Deputy Sheriff CalousTheffzard had released the suspect, so I detain him again.

When we were at BCSS, my supervisor recommended that I release the detainee and I did. At no time did I hit the suspect or attack him, nor did I arrest him, it was just a detainment, so the assault, battery, and false imprisonment accusations can be dropped on the table of it.
