JUDGEMENT OF IN RE OMARCARCACHE_V2

On January 17th, user OmarCarcache_v2 (hereinafter referred to as the "Petitioner") filed an expungement application to seal his record and the Crown Attorney's Office did seek to contest such application.

In the matter of an application by OmarCarcache_v2 pursuant to Article 10 of the Constitution Act of 1867, the application is hereby granted. After further questioning OmarCarcache_v2 , it's obvious he feels regret in committing his crimes and wishes to move forward in his ROBLOXIAN life, which unfortunately, his records are holding him from employment within a law enforcement agency he wishes to join. The court finds no reason for his petition to be denied; thus his expunction shall be granted in full. The court would like to wish him the best in his future law enforcement career and endeavors.
