JUDGEMENT OF IN RE OFFICER_RBLX1231FAN

On January 23rd, user Officer_RBLX1231Fan (hereinafter referred to as the "Petitioner") filed an expungement application to seal his record and the Crown Attorney's Office did seek to contest such application.

In the matter of an application by Officer_RBLX1231Fan pursuant to Article 10 of the Constitution Act of 1867, the application is hereby denied. The petitioner has come before the court seeking an expungement. His records are holding him back from employment; however, he has committed multiple indictable offenses throughout the month of December. I believe that Officer_RBLX1231Fan should contribute to the province more before seeking an expungement; therefore, this court has a reason to deny this petition, thus his expunction shall not be granted
