From here on out, plain clothes is going to be tightened up on and enforced from now on.

All divisions are now required to wear their uniforms and nothing but their uniforms. Permissions given by anyone in the department have been voided and you must continue to wear the uniform. There will no longer be exceptions made or times where you are allowed to go plain clothes unless states by the Department Chief's and the Chief Superintendent.

The members in the department that are allowed to utilize plain clothes are the Superintendents, Chief Superintendent, Deputy Chief Sheriff, Chief Sheriff, Special Investigations Bureau, Special Investigations Bureau : Internal Affairs, and POU.

-------------------------	--------------------------------------	------------------------------------

Case Summary: On January 1st, 2022, An anonymous report was sent to Staff Inspector s_upperclappedyou showing two pictures clearly showing Superintendent Phantomy_TheKING violating Patrol Division uniform policy and the permissions outlined by his superiors and him misusing the radio and poorly representing the department.

The superintendent has been placed on 3 different zero-tolerance policies over the course of last year due to his misconduct and previous reports and behavior problems. This would be his 3rd tolerance policy violation which is not good for an individual of such power. After discussing the situation with members of the administration a demotion was discussed.

He is not capable of representing the department correctly and upholding his duties as a member of the high command team without violating outlined regulations to ensure the smooth and professional operations of the department. The superintendent also has a very extensive disciplinary background.
