| Reasons for recall      | <p>The MLA has been issued a warrant for their arrest for crimes associated with terrorism. This is deeply wrong and the fact that holding onto public office for longer than needed is putting a damaging reputation on the member. The member has been condemned by the Office of the Premier and has been noticed by CSIS. The member has had more than 24 hours to resign from their post as assembly member but has failed so the only option is now to get the public to recall him.</p>  |  |                        |                                 |
